

# Big Bike Ride

*By Ed Muise, Regional Communications Manager*

**T**eamwork, fitness, fun and fundraising – that's what the Heart and Stroke Foundation's Big Bike is all about. For the second year in a row, staff from Regional Headquarters and the Moncton Area Parole Office participated in this annual fundraising event. On June 17, 30 staff members took to the streets of Moncton on the Big Bike and pedalled their way to a total of \$1,122 for the Heart and Stroke Foundation of New Brunswick.

The Big Bike ride showed the true colours of Correctional Service of Canada staff as they rode for the benefit of the community. From beginning to end, there was a lot of team spirit and a lot of laughs. ■
